

# Quick Start Guide:

## Setting up your Wi-Fi and App

1 Download the app. You can search either the Apple App Store or Google Play Store for: 'CommandIQ™', then install it on your mobile device.

2 Select "SIGN UP" towards the bottom of the screen.

SUBMIT

6 **Note:** If your system is already operating with Wi-Fi, tap the "Click here to skip" text. Otherwise, complete these steps to set-up your Wi-Fi.

Name your network and create a password.

- The Router Name will be used throughout the app.
- The Network Name (SSID) is what you will use as your wireless connection name.
- Select a password for your wireless network, if you do not want to change it on all the devices in your home, use your existing wireless SSID and Password from your current router.
